

Delhi's Power Minister Inaugurates BSES'1st Smart Public Charging Station

BRPL' 1st smart public EV charging station, set-up in partnership with Gensol Charge Pvt Ltd and Techperspect, was inaugurated on June 11, 2019 at its Grid-Sub Station at the South Extension Part 2 market. Delhi's Hon'ble Power Minister Shri Satyendar Jain did the honours in presence of the MLA Shri Madan Lal and senior BSES officials, led by the BRPL CEO Shri Amal Sinha. Over 150 such smart EV charging stations will be set-up and of these, around 50 will be set-up in FY 2019-20.

Through the ElectreeFi Mobile App, a EV consumer can locate the nearest charging station, make advance online booking and even pay on-line through multiple options like credit / debit cards, E Wallets, UPI and BHIM.

Follow simply tips to stay safe during the rainy season

Much to everyone's delight, Monsoons are here again! With them, Monsoon also brings with itself, its own set of unique problems and issues. Due to water-logging, chances of electricity related mishaps and incidents are especially high during the monsoon season. Simple precautions will help you stay safe and go a long way in ensuring incident free monsoons.

- Stay away from all electrical installations like electricity poles, sub-stations, transformers, streetlights etc
- Caution children not to play near them, even if they are barricaded.
- Do not touch electrical appliances with wet hands
- Keep a "Tester" at home. If a switch or a wall of your house is wet, do not touch it. First use the "tester" to check if there is an electricity leakage. If the need be, call your electrician.

Get rewarded for replacing your old AC with a new energy efficient 5-star AC

Have you replaced your old energy guzzling air conditioner with a new 5-star rated air conditioner (AC) at upto 54% discount? Under BRPL' AC Replacement Scheme – a limited period offer - only 10,000 ACs (both window / split) from leading brands (like Daikin, Blue Star, LG, Voltas and Godrej) are on offer.

These ACs can help you save upto Rs 7000 (908 units) and upto Rs 6050 (785 units) annually on Split and Window respectively. You can apply for the scheme on www.bsesdelhi.com or through the door step service. For queries, you can call 19123/39999707 or whats app 9267987354, which will be addressed within 72 Hrs.

Easy steps for prevention of Dengue, Chikungunya and Malaria

- Don't allow water to accumulate around you, mosquitos breed in clean stagnant water
- Scrub, dry and clean water coolers weekly
- Change water of indoor plants/ containers for birds every week
- Keep lids of water tanks/ containers closed. Don't let water tanks overflow
- Use mosquito repellents/ mosquito nets to avoid mosquito bites
- Avoid mosquito bite by wearing full sleeve clothes
