

Prevention is the only 'vaccine' against Covid-19

Just because the restrictions are easing and the festive season is here, does not mean that the danger of Covid is over. It is not. Measures to stay safe that were true a few months ago still remain the only 'vaccines' against the Corona virus at present. Be extra cautious during the festive season.

Wear mask

Maintain social distancing

Wash / sanitise hands frequently

Avoid unnecessary gatherings / get-togethers

Celebrate festivals virtually

Go Digital. Stay Safe

You don't need to visit a BSES office for availing our services! You can do so from the comfort of your home using digital self-service touch points like the BSES Website, Mobile App, WhatsApp, Email, Call Centre and SMS. Our services are now at your fingertips!

BRPL expands Solar City Initiative, launches 'Solarise Safdurjung'

BRPL is committed to aggressively promote roof-top solar in South and West Delhi. Taking this commitment further, BRPL has expanded its Solar City Program by launching 'Solarise Safdurjung', an ambitious community-based demand aggregation program. Depending on the result, the program will also be launched for other BSES areas.

The 'Solarise' program was unveiled in a virtual ceremony in the presence of the BRPL CEO Mr Amal Sinha. Also present in the ceremony were senior officials from the MNRE, EE & REM, US Embassy, CEEW, and solar vendors and RWAs representatives.

This initiative has been rolled-out by BRPL in partnership with SmartPower, a US based non profit organisation focused on local community campaigns to increase consumer adoption of clean energy, WeeGreen and Council on Energy Environment and Water.

Don't let DG sets add smoke to your celebrations

In the wake of rising pollution, like last year, the authorities have banned the use of Diesel Gensets in Delhi. BSES consumers need not worry. You can get a prompt and hassle-free temporary electricity connection for functions, marriages, religious gathering and many other purposes after complying with the requisite Covid-19 guidelines issued by the authorities. It is cheaper, safer, noise and pollution free.

To get a tatkal* temporary electricity connection:

- Call BRPL: 19123 (toll-free number) or
- Apply and pay on BSES' website www.bsedelhi.com / Mobile App
