

BSES RAJDHANI POWER LIMITED

Invitation for Open Category

For

Design, Engineering, Civil Work, Supply, Erection, Testing and Commissioning Including Warranty, Comprehensive Operation & Maintenance of SPV Plant under Phase II of MNRE Grid Connected Rooftop Solar Scheme (GCRTS) of Various Capacities under CAPEX Model (Part-A, Part-B, Part-C & Part-D) in Open Category For 1.4 MW Aggregate Capacity in the NCT Delhi.

For Residential Sector (RWA/CGHS Connections Only) Under MNRE Phase II

RFP NO CMC/BR/22-23/RB/PR/KG/1070 DT 16.11.2022

BSES RAJDHANI POWER LTD (BRPL)

Corporate Identification Number: **U74899DL2001PLC111527**

Telephone Number: +91 11 3009 9999

Fax Number: +91 11 2641 9833

Website: www.bsedelhi.com

INVITATION FOR OPEN CATEGORY

MNRE (Ministry of New and Renewable Energy, Government of India) desires to implement grid connected rooftop solar PV projects on the rooftop of residential buildings and Residential Welfare Association/ Group Housing Societies. MNRE has appointed BRPL as the nodal point for disbursement of subsidy under the MNRE Phase II program in its area. BYPL (on behalf of BRPL) had carried out a 5MW bid in the month of February 2022 (Refer **RFP No.CMC/BY/21-22/RB/SV/39**), in which BRPL had reserved 0.4 MW under the Open category. BRPL is inviting applications from such bidders who qualify the requirements of Open Category in the above mentioned tender and would like to participate in the Open Category.

BID INFORMATION SHEET

Document Description	Invitation for Open category for Design, Engineering, Civil Work, Supply, Erection, Testing and Commissioning Including Warranty, Comprehensive Operation & Maintenance of SPV Plant under Phase II of MNRE Grid Connected Rooftop Solar Scheme (GCRTS) of Various Capacities under CAPEX Model (Part-A, Part-B, Part-C & Part-D) in Open Category For 1.4 MW Aggregate Capacity in the NCT Delhi.
Notification reference number and Date	CMC/BR/22-23/RS/KG/1070 dtd 31.10.2022
Start date of submission of document to BRPL (Online and Offline)	16/11/2022 0930Hrs
Last date of submission of document to BRPL	30/12/2022 1730Hrs
Last date for completion of Project and submission of all documents	09/01/2023
Name, Designation, Address of concerned officials	Kumar Gaurav (DGM) Contracts & Material Department (C&M), BSES Rajdhani Power Ltd, 1st Floor, D Block, BSES Bhawan, Nehru Place, New Delhi 110019
Address for submission of Hard copy of the documents	Head of Department Contracts & Material Department (C&M), BSES Rajdhani Power Ltd, 1st Floor, C Block, BSES Bhawan, Nehru Place, New Delhi 110019.

Please note the important conditions mentioned below:

- Applicants can only approach BRPL with firm capacity (Consumers already identified).
- The application will be required in both in the Online as well as Offline medium.
- The capacity will be allocated on a first come first serve basis at the sole discretion of the DISCOM.
- The first cum first serve will be applicable as per date of issuance of CPBG (which should have been issued after notification of open category) of only valid CPBG.
- Only valid CPBG, as confirmed by BRPL's finance team, shall be eligible for further processing.
- Bidders will be expected to provide all the documents at the time of application submission itself. The following documents will be required at the time of submission of the application.

Bidders may apply for projects under Open Category along with Net-metering Stage-1 application form. Rest of the documents may be provided separately while applying for net-metering through solarbses.com

S. No	Document
1.	Duly signed Stage 1 Application Form for Net Metering
2.	Signature ID Proof of the consumer (Aadhar & Pan Card)
3.	Copy of latest Electricity bill
4.	Proof of CPBG
5.	Proof of Technical Eligibility
6.	Proof of Financial Eligibility
7.	Undertaking cum Declaration
8.	Cover Letter

- g. The DISCOM at its sole discretion may award suitable time to furnish additional documents. Non submission of documents or incomplete application form can be a reason for rejection of application for subsidy projects. The bidder will however have the right to re-apply provided the window is not closed. In case of any short-comings in the documents submitted by the vendor, his rank in terms of applying for sanction under open category shall be shifted downwards for 'first-come first-serve' determination. The vendor will be considered when all the documentation requirements including submission of CPBG are fulfilled.
- h. The DISCOM is not liable to answer queries to provide reasons for rejection of any application under Open Category.
- i. The vendors can use the following link to upload their documents:
<https://forms.gle/fQG9Ne6gUj5ZWh2b7>
- j. BRPL takes no responsibility by issues arising due to online uploading of documents.
- k. The offline documents are to be submitted in person at BRPL office in Nehru Place to the C&M Department.
- l. The above window for online as well as offline submission of application form shall open till 30th December 2022.
- m. Applications received after the application submission deadline will be rejected.
- n. Vendors can apply for a cumulative sanction for multiple projects. A single CPBG for the cumulative value should be provided with the application. The CPBG must be submitted along with the application form. Delay in submission of the CPBG may result in rejection of application in favor of the next bidder in queue. The PBG will be calculated as the formula shown below.

PBG amount = INR per kW [3% X Insert the Amount (cost discovered) X Allocated Capacity in kWp]

- o. Vendor will be considered for allocation only after submission of all documents including CPBG. The BG amount can also be mentioned here in line with the tender requirements.

- p. In case more than one application has been submitted for which the CPBG issuance date is the same, preference will be given in the following order:
- I. First preference will be given to bidder as per date of issuance of CPBG (which should have been issued after notification of open category) of only valid CPBG confirmed by BRPL finance team
 - II. In case of multiple applications for same category received from different vendors for same date CPBG issuance, the capacity left for the said category shall be divided amongst them in proportion of the capacity applied for. Provided, the applicant is found otherwise eligible for the open category and the capacity applied for.
- q. BRPL reserves the rights to reject any application at its sole discretion.
- r. Vendors are advised to review RFP No.CMC/BY/21-22/RB/SV/39. Vendors will have to comply with all the terms and conditions mentioned in the RFP (RFP No. CMC/BY/21-22/RB/SV/39).
- s. The applicants will be issued a LoA on successful allocation of capacity.
- t. CPBG of the Unsuccessful applicants will be returned within 30 days from closing of the application window.
- u. The applicant is required to furnish proof of financial eligibility as well as technical eligibility as per criteria mentioned in Section 2. The applicant will be required to submit audit report along with a certificate from the Auditor stating Turnover and Net worth (as per the formula given in Section 2) for the financial year ending 2022.
- v. The applicant is required to submit DIPP/ MSE certificate, if applicable.
- w. CPBG can be submitted in form of Bank Guarantee or Demand Drafts (DD). Bank details are provided below.

Beneficiary Name	BSES Rajdhani Power Limited
Bank Name	State Bank of India
Account No	00000010277791773
IFSC Code	SBIN0009601
Branch	IND FINANCE BRANCH, NEW DELHI

TERMS AND CONDITIONS**1.0 SCOPE OF WORK:**

- 1.1. Identification of prospective beneficiaries and providing necessary assistance to the prospective beneficiary in submitting online applications for installation of RTS project.
- 1.2. Preparation of Detailed Project Report (DPR) of the proposed Proposal of Rooftop Solar Power Plant.
- 1.3. Obtaining Net-metering approval from concerned DISCOM/designated agency for providing grid connectivity/net-metering.
- 1.4. Submission of proposal with all required documents to DISCOM for sanctioning of the project.
- 1.5. Execution of the work shall be carried out in an approved manner as per the specification of RFP. In case of any dispute, relevant MNRE/ BIS/ ISI/ NABL/ ISO/ IEC/IS specification shall be followed and work shall be carried out to the reasonable satisfaction of the engineer in charge.
- 1.6. Design, Engineering, Civil Work, Supply, Storage, Erection, Testing & Commissioning of the Grid-connected rooftop solar PV project including comprehensive Operation and Maintenance (O&M) of the project for a period of 05 years after commissioning of project.
- 1.7. And as per tender provisions under Scope of Work (clause 1.0) of referenced tender document (RFP NO. CMC/BY/21-22/RB/SV/39).

The vendors who have identification of buildings, Obtained No Objection Certificate (NOC) from BRPL for grid connectivity are eligible to apply for sanction of capacity from the BRPL under MNRE Phase II Scheme.

The Vendors can apply under the following categories:

CATEGORY	SUBSIDY STRUCTURE
Capex Part A (1kW-3kW)	Subsidy @40% of Project Cost L1 Project Cost: INR 39,000 per kWp Subsidy Amount: INR 15,600 per kWp
Capex Part B (3kW-10kW)	Subsidy 40% up to 3kW plus 20% for RTS system above 3kW and up to 10 kW. L1 Project Cost: INR 37,500 per kWp Subsidy Amount: As applicable
Capex C (10 kW-100 kW)	40% up to 3kW plus 20% for RTS system above 3kW and up to 10 kW (for individual consumer. (CFA limited up to 10kWp capacity of the RTS Plant) 20% for GHS and RWA L1 Project Cost: INR 41,640 per kWp Subsidy Amount: As applicable
Capex D (Above 100-500 kW)	40% up to 3kW plus 20% for RTS system above 3kW and up to 10 kW (for individual consumer. (CFA limited up to 10kWp capacity of the RTS Plant) 20% for GHS and RWA L1 Project Cost: INR 41,820 per kWp Subsidy Amount: As applicable

The open category capacity is available to such eligible vendors, who are willing to take up such works at L1 Project cost in CAPEX Part A, B, C & D.

The total capacity under the Open category is envisaged to 1.4 MW for Residential Consumer (for RWAs and CGHS societies only). BRPL at its sole discretion may increase or decrease the capacity.

2.0 ELIGIBILITY CRITERIA

2.1 For CAPEX Part A (1kW-3kW) & Part B (3-10kW)

2.1.1 General Eligibility Criteria

Bidder should have a valid PAN & GST registration certificate.

2.1.2 Technical Eligibility Criteria

Bidders should have designed, supplied, installed & Commissioned at Grid Connected Solar PV Power Projects having aggregate capacity not less than 250kW prior to Bid Submission date. Vendor must submit scanned copy of the Commissioning certificate and Work order/ Contract/ Agreement/ from the Client/ Owner.

Technical Eligibility Criteria not applicable for vendors registered with DIPP/ MSEs under Renewable Energy sector.

The bidders who do not have any prior experience or do not have minimum required prior experience in installation of grid connected solar PV power projects, shall be allowed to implement rooftop solar projects subject to matching of L-1 price. The tendering authority reserves the right to allocate/sanction project capacities to such bidders in batches.

2.1.3 Financial Eligibility Criteria

Bidders should have an Annual Turnover or Net worth as indicated below:

The Annual turnover of Rupees 2.0 Crore per MW of the capacity offered in its Bid in any one of the last 3 financial years ending 31.03.2022 subject to the condition that the Bidder should at least have completed one financial year.

OR

Net worth equals to or greater than the value calculated at rate of Rs.1.5 Crore per MW of capacity offered by the Bidder in its Bid. The Computation of Net worth shall be based on unconsolidated audited annual accounts of the last financial year immediately preceding the Bid Deadline. Share premium can be included in the Net-worth calculation in case of listed companies in India only.

The formula of calculation of net-worth shall be as follows:

Net-Worth = (Paid up share capital) + {(Free reserves – Share premium) + Share premium of listed companies} - (Revaluation of reserves) - (Intangible assets) - (Miscellaneous expenditure to the extent not written off and carry forward losses).

Financial Eligibility Criteria not applicable for vendors registered with DIPP / MSEs under Renewable Energy

2.2 For CAPEX Part C (10-100kW) & Part D (100-500kW)

2.2.1 General Eligibility Criteria

Bidder should be either a body incorporated in India under the Companies Act, 1956 or 2013 including any amendment thereto and engaged in the business of Solar Power.

OR

Limited Liability partnership OR Partnership Firm OR Solar Proprietor

AND

Bidder should have a valid PAN & GST registration certificate

2.2.2 Technical Eligibility Criteria

Bidders should have designed, supplied, installed & Commissioned at Grid Connected Solar PV Power Projects having aggregate capacity not less than 250kW which should have been commissioned prior to Bid Submission date. Vendor must submit scanned copy of the Commissioning certificate and Work order/ Contract/ Agreement/ from the Client/ Owner shall be submitted.

2.2.3 Financial Eligibility Criteria

Bidders should have an Annual Turnover or Net worth as indicated below:

The Annual turnover of Rupees 2.0 Crore per MW of the capacity offered in its Bid in any one of the last 3 financial years ending 31.03.2022 subject to the condition that the Bidder should at least have completed one financial year.

OR

Net worth equals to or greater than the value calculated at rate of Rs.1.5 Crore per MW of capacity offered by the Bidder in its Bid. The Computation of Net worth shall be based on unconsolidated audited annual accounts of the last financial year immediately preceding the Bid Deadline. Share premium can be included in the Net-worth calculation in case of listed companies in India only.

The formula of calculation of net-worth shall be as follows:

Net-Worth = (Paid up share capital) + {(Free reserves – Share premium) + Share premium of listed companies} - (Revaluation of reserves) - (Intangible assets) - (Miscellaneous expenditure to the extent not written off and carry forward losses).

3.0 GENERAL CONDITIONS OF THE CONTRACT (GCC)**3.1 SCOPE OF WORK**

3.1.1 Identification of prospective beneficiaries and providing necessary assistance to the prospective beneficiary in submitting online applications for installation of RTS project.

3.1.2 Preparation of Detailed Project Report (DPR) of the proposed Proposal of Rooftop Solar Power Plant.

3.1.3 Obtaining Net-metering approval from concerned DISCOM/designated agency for providing grid connectivity/ net-metering.

3.1.4 Submission of proposal with all required documents to DISCOM for sanctioning of the project.

3.1.5 Execution of the work shall be carried out in an approved manner as per the specification of RFP. In case of any dispute, relevant MNRE/BIS/ISI/NABL/ISO/IEC/IS specification shall be followed and work shall be carried out to the reasonable satisfaction of the engineer in charge.

3.1.6 The vendor shall complete the work of Design, supply, civil work, erection, testing and commissioning of SPV grid connected Power Plant within 6 months from the date of issue of the Consent Letter or up to 09.02.2023. In event of failure to install and commission the RTS system

within the mentioned timeframe, the entire Performance Bank Guarantee will be forfeited and may also lead to disqualification of the vendor at the sole discretion of respective DISCOM. The penalty for non-completion of allocated will be on pro-rata basis.

3.1.7 The work covers Design, supply, installation, commissioning and Comprehensive Maintenance Contract (CMC) for 05 (Five) Years for CAPEX Models.

3.1.8 Empanelled vendors shall establish a service Centre to cater the 05 Years CMC for CAPEX Models. In case if it is not economically viable for an individual vendor then Group of vendors can establish a common service Centre. The details of all such service centers (address, contact no. etc.) will be made available on the website of the respective DISCOMs. Also the vendor has to share monthly report on the queries received and addressed of consumers with the respective DISCOM.

3.1.9 All the material required for the installation of solar power plant as per the LoA issued shall be kept at site in custody of the vendor, Delhi DISCOMs shall not be responsible for any loss or damage of any material during the installation. The vendor shall be responsible and take an insurance policy for transit-cum-storage-erection for all the materials.

3.1.10 The vendor shall take entire responsibility of electrical safety of the installations including connectivity with the grid and follow all the safety rules and regulations applicable as per Indian Electricity Act-2003 and prevailing CEA guidelines and amendments, it shall be responsibility of the vendor to take NOC from concerned authority and engage person as per provisions as per in CEA Rules and Regulations. The Empanelled vendor shall ensure proper safety of all the workmen, material, plants and equipment belonging to him/her. In case any accident occurs during the construction/ erection or during guarantee period for work undertaken by Empanelled Vendor thereby causing any minor or major or fatal accident will be the responsibility of the Empanelled Vendor. The successful Vendors shall follow and comply with the employer's safety rules relevant provisions of applicable laws pertaining to the safety of workmen, employees, plant and equipment. The Empanelled vendors shall also arrange all certificates and test reports of the module and inverter and other equipment. The Empanelled Vendors must adhere to the Operation and Maintenance procedure given in **Annexure-C** of the referenced document.

3.2 PROJECT COST

3.2.1 The Project cost shall include all the costs related to above Scope of Work except the cost of the net meter. Bidder shall quote for the entire facilities on a "single responsibility" basis such that the total Bid Price covers all the obligations mentioned in the Bidding Documents in respect of Design, Supply, Erection, Testing and Commissioning including Warranty, Operation & Maintenance including cleaning of solar PV modules at least twice in a month for a period of 5 years for Capex model, goods and services including spares required if any during O&M period. The Bidder has to take all permits, approvals and licenses, Insurance etc., provide training and such other items and services required to complete the scope of work mentioned above.

3.2.2 The Project cost quoted for CAPEX is on lump sum turnkey basis & exclusive of taxes & duties. The bidder is responsible for the total Scope of work described at Clause 1 above.

3.2.3 The basic project cost in each category shall remain firm and fixed and shall be binding on the Successful Bidder till completion of work for payment of subsidy amount irrespective of his actual cost of execution of the project. No escalation will be granted on any reason whatsoever. The bidder shall not be entitled to claim any additional charges, even though it may be necessary to extend the completion period for any reasons whatsoever.

3.2.4 The Operation & Maintenance of Solar Photovoltaic Power Plant would include wear, tear, overhauling, machine breakdown, insurance, and replacement of defective modules, invertors/ Power Conditioning Unit (PCU), spares, consumables & other parts for a period of 5 years.

3.2.5 The Project cost shall be specified in sanction letter for each project category. The project cost shall be in accordance with all terms, conditions, specifications and other conditions of the Contract as accepted and incorporated into the sanction letter.

3.3 INSURANCE

3.3.1 Insurance shall be governed as per Clause No. 2.8 at Page No. 40 of RFP document CMC/BY/21-22/RB/SV/39.

3.3.2 Insurance shall be submitted for both I&C and O&M Phases as applicable:

- a) The Vendor shall be responsible and take an Insurance Policy for transit-cum- storage-cum-erection for all the materials to cover all risks and liabilities for supply and storage of materials at site, erection, testing and commissioning.
- b) Before commencement of work, the Vendor shall also take insurance for Third Party Liability covering loss of human life, engineers and workmen and also covering the risks of damage to the third party/ material/ equipment/ properties during execution of the Contract. The Vendor will ensure that all its employees and representatives are covered by suitable insurance against any damage, loss, injury or death arising out of the execution of the work or in carrying out the Contract. Liquidation, Death, Bankruptcy etc., shall be the responsibility of bidder.
- c) The vendor shall also take appropriate insurance during O&M period.
- d) The Insurance covers as mentioned in above clauses are mandatory and in case of any violation of not taking Insurance Cover may result in imposition of Penalty. Penalty shall be deducted from the Vendors claim for subsidy as under and the subsidy, in such cases shall be released only on submission of Indemnity Bond:
 - i) Rs.5,000/per site - for plants having capacity >1-10kWp.
 - ii) Rs.10,000/per site - for plants having capacity >10-100kWp.
 - iii) Rs.20,000/per site - for plants having capacity >100kWp.

3.3.3 The provision of penalty for not taking insurance is applicable one time only on repetition of the same, the sanctioned of the particular site will be cancelled.

3.4 WARRANTIES AND GUARANTEES

3.4.1 The Empanelled Vendor shall provide warrantee covering the rectification of any and all defects in the design of equipment, materials and workmanship including spare parts for a period of 05 years from the date of commissioning for projects. Period for which there is Under Warranty shut down of Solar PV due to equipment's failure would be added to the warranty period.

3.4.2 The successful bidder (under CAPEX Model) has to transfer all the Guarantees/ Warrantees of the different components to the Owner of the project. The responsibility of operation of Warrantee and Guarantee clauses and Claims/ Settlement of issues arising out of said clauses shall be joint responsibility of the Successful bidder and the owner of the project and BRPL will not be responsible in any way for any claims whatsoever on account of the above.

3.5 TYPE AND QUALITY OF MATERIALS AND WORKMANSHIP

3.5.1 The design, engineering, manufacture, supply, installation, testing and performance of the equipment shall be in accordance with latest appropriate IEC/ Indian Standards as detailed in the Technical specifications (clause 3.0) of the referenced tender document.

3.5.2 The specifications of the components should meet the technical specifications mentioned in Clause 3.0 of referenced tender document.

3.5.3 Any supplies which have not been specifically mentioned in this Contract but which are necessary for the design, engineering, manufacture, supply & performance or completeness of the project shall be provided by the Bidder without any extra cost and within the time schedule for efficient and smooth operation and maintenance of the SPV plant.

3.6 OPERATION & MAINTENANCE (O&M) GUIDELINES TO BE MANDATORILY FOLLOWED BY BIDDERS

3.6.1 The bidder shall be responsible for all the required activities for successful operation and maintenance of the Rooftop Solar PV system for a period of 5 years from the date of commissioning of the plant.

3.6.2 Below mentioned guidelines, shall be followed for O&M practices, which is not limited to Annexure-D of RFP No.CMC/BY/21-22/RB/SV/39.

i) O&M of Solar Power Plant shall be compliant with grid requirements to achieve committed energy generation. As defined in clause 2.10.1 of referenced tender document.

ii) Deputation of qualified and experienced personnel till the O&M period at project site as & when required.

iii) Quarterly checks of the Modules, PCUs and BoS shall be carried out as a part of routine preventive and breakdown maintenance.

iv) Immediate replacement of defective Modules, Invertors/PCUs and other equipment as and when required.

v) Supply of all spares, consumables and fixtures as required. Such stock shall be maintained for all associated equipment and materials as per manufacturer/ supplier's recommendations.

vi) All the equipment testing instrument required for Testing, Commissioning and O&M for the healthy operation of the Plant shall be maintained by the Bidder. The testing equipment must be calibrated once every 2 years from NABL accredited labs and the certificate of calibration must be kept for reference as required.

vii) If negligence/ mal-operation on part of the Bidder's operator results in failure of equipment, such equipment should be repaired/ replaced by the Bidder free of cost.

3.6.3 If any jobs covered in O&M Scope as per RFP are not carried out by the contractor/ Bidders during the O&M period, the designated Official shall take appropriate action as deemed fit. DISCOMs reserves the right to make surprise checks/ inspection visits at its own or through authorized representative to verify the O&M activities being carried out by the Bidder. Failure to adhere to above guidelines will result in penal action including debarring from participation in next tender.

3.6.4 The Bidders should have their service network in or around respective DISCOMs, within a radius of 50 Kms of each DISCOM and shall provide address of service centre in O&M manual. A copy of the same shall also be provided to the respective DISCOMs.

3.6.5 The bidder shall use the original parts in case of any fault in the PCU/Inverter during the

AMC period of 5 years. In case the original part/parts are not available with the manufacturer of the PCU/ Inverter (Based on certificate from the manufacturer), the bidder shall use the new parts of other standard brands of similar specifications available in the market or will use the repaired parts.

3.6.6 If Bidders are fail to comply with the O&M guidelines, it may lead to the encashment of Performance Bank Guarantee and subsequently debaring or blacklisting from the future State/ Central Government Tender.

3.7 METERING AND GRID CONNECTIVITY

Metering and grid connectivity of the Solar Rooftop Plants under this scheme would be the responsibility of the electricity Distribution Companies (DISCOM) in accordance with the terms and conditions laid down in bid document and prevailing guidelines/regulation of State Electricity Regulatory Commission (SERC)/ Central Electricity Authority (CEA) and issued amendments.

3.8 PLANT PERFORMANCE EVALUATION

The successful bidder shall be required to meet minimum guaranteed generation with Performance Ratio (PR) at the time of commissioning and related Capacity Utilization Factor (CUF) as per the GHI levels of the location during the O&M period. PR should be shown minimum of 75% at the time of inspection for initial commissioning acceptance to qualify for release of applicable CFA. Minimum Annual generation guarantee of 1100 units per kWp per year should be maintained after considering the degradation of solar PV modules for a period of 5 years after considering the degradation of modules for fulfilling one of the conditions for release of PBG. The PR will be measured at Inverter output level during peak radiation conditions.

3.9 PLANT COMPLETION REPORT (PCR)

The Empanelled Vendor shall submit the Project Completion Report in (soft copy and signed copy) after commissioning of the project as per the Scope of RFP to the respective DISCOM as per the Format is given in **Annexure J** of RFP No.CMC/BY/21-22/RB/SV/39. Non submission of the report shall be considered as "Breach of Contract" and shall attract punitive actions as per the relevant provisions of the Contract including non-release of CFA. However, the decision of Engineer-in – charge/ DISCOM shall be final in this regard.

3.10 PROJECT INSPECTION

All project progress will be monitored by the respective DISCOM and the projects can be inspected for quality at any time during commissioning or after the completion of the project by officer(s) from MNRE and/or respective DISCOM and/or any agency/ experts designated/ authorized by MNRE and/or respective DISCOM from time to time. DISCOM shall depute a technical person from its office or from list of empanelled experts/ agencies updated from time to time for inspection, third party verification, monitoring of system installed to oversee the implementation as per required standards. The cost of inspection at the time of commissioning shall be borne by the Empanelled Vendor. However, if the project is not found to be installed in an appropriate manner, all arrangement for the next visit of the authorized representative of the DISCOM shall be made by the vendor. There shall be no separate charges/ fees for the inspections. The inspection shall be broadly governed by the following mechanism:

3.10.1 After complete installation of the system, the Bidders shall immediately intimate to DISCOM in writing for such inspections. The DISCOM/DISCOM will complete the inspection of the PV system within ten working days of the receipt of the intimation. Visual inspection shall

be carried for 100% of SPV systems. All cost pertaining to this inspection shall be borne by the DISCOM.

3.10.2 The material/ installation found sub-standard or faulty is to be replaced by the bidder with new material as per the specifications. The systems shall be offered for inspection again after necessary rectification. Expenses for such re-inspection shall be borne by the Bidders. DISCOM at its discretion may also pick up samples from the lot of systems being supplied by the vendor at random from the warehouse for quality check only. If required, samples picked up will be tested for acceptance test as decided by DISCOM at MNRE/ Government approved laboratory in presence of representatives of supplier and DISCOM as per relevant IEC/IS/BIS/ DISCOM specifications.

3.10.3 The test results will be binding on the suppliers and DISCOM, in general will not allow re-sampling. If the material fails in any of the acceptance tests carried out, those components that fail the test shall be rejected, and the Bidder shall have to supply and install the new component as per the specifications. The loss of generation during such time when the system is taken away for testing shall be at the cost of the Bidder, who shall compensate the Beneficiary for such loss of generation as per the pro-rata PR as per RFP.

3.10.4 The Bidders will offer Solar PV Systems for inspection at their site/ warehouse by MNRE or DISCOMS or its authorized quality inspection agency. If required, MNRE/ DISCOM may carry out random testing/ inspection of SPV systems at the site. However, all costs towards such inspection shall be borne by MNRE/ DISCOM.

3.10.5 If required, DISCOM reserves the right to inspect any number of SPV systems, at the addresses of the beneficiaries given by the Bidders. Pre-dispatch inspection of the components is not mandatory as 100% visual inspection is being carried out by the DISCOM and declaration for DCR modules is being furnished by the bidder. However, pre-dispatch inspection may be carried out by the DISCOM at the works of OEM (Original Equipment Manufacturer), where SPV (Solar Photovoltaic) panels are being manufactured. Any cost towards pre-dispatch inspection shall be solely borne by the Empanelled Vendor. It shall be the utmost duty of the DISCOM that pre-dispatch inspection, if being done, shall not cause delay in implementation of the project and be a basis of extension request/complaints from the vendors of manufacturers.

3.10.6 Cost of Inspection: All the expenses related to inspection team like lodging, boarding, travelling, air tickets to be borne by the Empanelled Vendor.

3.11 CANCELLATION OF SUBSIDY

DISCOM will not release the subsidy for any shortcomings in commissioning as per technical specifications mentioned or for performance ratio (PR) below the specified limit (75%) after commissioning. Also, PBG shall be forfeited in case specific generations falls below 1100 units per kW per year during entire O&M period of 5 years from the date of commissioning after considering the degradation of Solar PV modules. The DISCOM can deduct any pending payments from the PBG or the Subsidy.

3.12 APPLICABLE LAW

The Contract shall be interpreted in accordance with the laws of the Union of India.

3.13 SETTLEMENT OF DISPUTE

3.13.1 All disputes and differences arising out of or under the contract including, however, without prejudice to the generality of the aforesaid, any question regarding the existence,

validity or termination, in respect thereof, the parties at the first instance shall endeavor to resolve such dispute or differences amicably by mutual consultation.

3.13.2 If the parties fail to resolve, the disputes or differences amicably by mutual consent, within 45 days of its arising, the disputes or differences shall be referred to arbitration either party may refer the disputes or differences to arbitration as provided hereinafter, by giving notice in writing to the other party of its intention to refer the disputes or differences to arbitration and such arbitration proceedings shall commence with the receipt of the aforesaid notice by the other party. Any dispute, in respect of which a notice of intention to refer the same to arbitration has been given in terms of sub clause 3.13.1, shall be finally settled by arbitration.

3.13.3 For all grievances and disputes arising between vendor and consumer, in the first instance shall be endeavored to be settled amicably. The parties shall approach DISCOM as a last mile resort only after collating proof of relevant documents pertaining to communications regarding settlement amongst the parties.

3.13.4 IN ALL CASES

In all cases, any dispute referred to arbitration by a party shall be heard by an arbitration panel composed of three arbitrators, in accordance with the provisions as set forth below:

- a) The DISCOM and the Contractor shall each appoint one arbitrator, and these two arbitrators shall jointly appoint a third arbitrator, who shall chair the arbitration panel. If the two arbitrators do not succeed in appointing a third arbitrator within twenty (20) days after the latter of the two arbitrators has been appointed, the third arbitrator shall, at the request of either party, be appointed by the Appointing Authority for third arbitrator who shall be the EO, EEREM.
- b) If one party fails to appoint its arbitrator within thirty-two (32) days after the other party has named its arbitrator, the party which has named an arbitrator may request the Appointing Authority to appoint the second arbitrator.
- c) If for any reason an arbitrator is unable to perform its function, the mandate of the Arbitrator shall terminate in accordance with the provisions of applicable laws as mentioned in **Clause 3.12** of referenced tender document (Applicable Law) and a substitute shall be appointed in the same manner as the original arbitrator.
- d) The venue of arbitration shall be New Delhi. The provisions of Arbitration and Conciliation Act, 1996/ 2004, as amended from time to time shall govern the Arbitration proceedings conducted in respect of the disputes and the differences arising out of or under the contract, except to the extent, otherwise agreed herein by the parties.
- e) The decision of a majority of the arbitrators (or of the third arbitrator chairing the arbitration panel, if there is no such majority) shall be final and binding and shall be enforceable in any court of competent jurisdiction as decree of the court. The parties thereby waive any objections to or claims of immunity from such enforcement.
- f) The arbitrator(s) shall give reasoned award.

3.13.5 Notwithstanding any reference to the arbitration herein, the parties shall continue to perform their respective obligations under the agreement unless they otherwise agree.

3.13.6 Cost of arbitration shall be equally shared between the Empanelled Vendor or Contractor and the respective DISCOM.

3.14 FORCE MAJEURE

3.14.1 "Force Majeure" shall mean any event beyond the reasonable control of the Employer or of the Contractor, as the case may be, and which is unavoidable notwithstanding the reasonable care of the party affected, and shall include, without limitation, the following:

- a) War, Hostilities or Warlike Operations (whether war be declared or not), invasion, act of foreign enemy and civil war,
- b) Rebellion, Revolution, Insurrection, Mutiny, Usurpation of Government, Riot and Civil commotion,
- c) Earthquake, Landslide, Volcanic Activity, Flood or Cyclone, or other inclement weather condition, nuclear and pressure waves or other natural or physical disaster,

3.14.2 Notwithstanding the provisions of clauses contained in this Rfp document, the contractor shall not be liable to forfeit (a) PBG for delay and (b) termination of contract, if he is unable to fulfill his obligation under this contract due to force majeure conditions.

3.14.3 For purpose of this clause, "Force Majeure" means an event beyond the control of the contractor and not involving the contractor's fault or negligence and not foreseeable, either in its sovereign or contractual capacity. Such events may include but are not restricted to Acts of God, wars or revolutions, fires, floods, epidemics, quarantine restrictions and fright embargoes etc. Whether a "Force majeure" situation exists or not, shall be decided by DISCOM and its decision shall be final and binding on the contractor and all other concerned.

3.14.4 In the event that the contractor is not able to perform his obligations under this contract on account of force majeure, he will be relieved of his obligations during the force majeure period. In the event that such force majeure extends beyond six months, DISCOM has the right to terminate the contract in which case, the PBG shall be refunded to him.

3.14.5 If a force majeure situation arises, the contractor shall notify DISCOM in writing promptly, not later than 14 days from the date such situation arises. The contractor shall notify DISCOM not later than 3 days of cessation of force majeure conditions. After examining the cases, DISCOM shall decide and grant suitable additional time for the completion of the work, if required.

3.15 LANGUAGE

All documents, drawings, instructions, design data, calculations, operation, maintenance and safety manuals, reports, labels and any other data shall be in English Language. The contract agreement and all correspondence between the DISCOM and the bidder shall be in English language.

3.16 OTHER CONDITIONS

3.16.1 The Successful bidder shall not transfer, assign or sublet the work under this contract or any substantial part thereof to any other party without the prior consent of DISCOM in writing.

3.16.2 The Successful bidder or its subcontractors shall not display the photographs of the work and not take advantage through publicity of the work without written permission of DISCOM and owner of the Rooftop.

3.16.3 The Successful bidder or its subcontractors shall not make any other use of any of the documents or information of this contract, except for the purposes of performing the contract.

3.16.4 DISCOM will not be bound by any Power of Attorney granted/ issued by the Successful bidder or its subcontractors or by any change in the composition of the firm made during or

subsequent to the execution of the contract. However, recognition to such Power of Attorney and change (if any) may be given by DISCOM after obtaining proper legal advice, the cost of which will be chargeable to the Successful bidder concerned.

3.17 SUCCESSORS AND ASSIGNEES

In case DISCOM or Successful bidder may undergo any merger or amalgamation or a scheme of arrangement or similar re-organization & this contract is assigned to any entity(ies) partly or wholly, the contract shall be binding mutatis mutandis upon the successor entities & shall continue to remain valid with respect to obligation of the successor entities.

3.18 SEVERABILITY

It is stated that each paragraph, clause, sub-clause, schedule or annexure of this contract shall be deemed severable & in the event of the unenforceability of any paragraph, clause sub-clause, schedule or the remaining part of the paragraph, clause, sub-clause, schedule annexure & rest of the contract shall continue to be in full force & effect.

3.19 COUNTER PARTS

This contract may be executed in one or more counterparts, each of which shall be deemed an original & all of which collectively shall be deemed one of the same instruments.

3.20 RIGHTS & REMEDIES UNDER THE CONTRACT ONLY FOR THE PARTIES

This contract is not intended & shall not be construed to confer on any person other than the DISCOM & Successful bidder hereto, any rights and / or remedies herein.

3.21 CORRESPONDENCE

Bidder requiring any clarification of the bid documents may contact in writing or by Fax/E Mail.

- 6 Project Report as per Annexure – D of Rfp
- 7 Solar PV Module Specs Sheet (DATA Sheet)
- 8 Solar PV Module IEC/ IS Certificates
- 9 Inverter Specs Sheet (Data Sheet)
- 10 Inverter IEC/ IS Certificates

Note: The vendor first time applying for the sanction of projects in BRPL will have to register as a vendor in BRPL system.

{To be executed of Rs. 100/- non judicial stamp paper}

UNDERTAKING CUM DECLARATION

by Vendor for Open Category under RFP no.....

To,

BSES Rajdhani Power Limited
BSES Bhawan, Nehru Place,
Delhi

Sub: **TERM AND CONDITIONS OF ALLOCATION OF CAPACITY FOR OPEN CATEGORY.**

Ref:

Name of Vendor:.....

GST No:.....

PAN No:.....

I, _____, authorized signatory of
M/s _____ (hereinafter referred to as "vendor"), having its address as
_____, do hereby affirm and state that

1. I understand that BRPL purely to facilitate its consumers and under the terms of RFP....., has notified the OPEN CATEGORY "scheme" whereby BRPL is giving the platform to vendors to get the allocation of capacity for the firm projects for installation of rooftop solar under MNRE Phase-2 scheme.
2. That I do hereby confirm and declare that I/vendor, understanding the terms for the Open Category, out of my own accord and under no compulsion/influence have agreed to participate in the said open category, understanding the fact that capacity allocation shall be provided on first-come first-serve basis at the sole discretion of BRPL.
3. It is also understood that BRPL reserves the rights to reject any application under this open category at its sole discretion, without assigning any reason whatsoever and the decision of BRPL in this regard shall be final and binding on me.
4. I have read and understood, beyond doubt, the methodology for determination of first-come first-serve basis stated below:
 - (i) The Google forms shall be used to capture the data from prospective open category applicant bidders.
 - (ii) Amongst other data points, the Google form shall capture the CBPG issuance date as well.

- (iii) The applicants will also be required to share with BRPL scanned copy of CPBG, whose date they shall write on Google forms.
 - (iv) Only valid CPBG, as confirmed by Finance team, shall be eligible for further processing.
 - (v) The first cum first serve will be applicable as per date of issuance of CPBG (which should have been issued after notification of open category) of only valid CPBG.
 - (vi) In case of multiple applications for same category received from different vendors for same date CPBG issuance, the capacity left for the said category to be divided amongst them in proportion of the capacity applied for. Provided, the applicant is found otherwise eligible for the open category and the capacity applied for.
5. That I do hereby agree and confirm that I shall abide all the terms associated with open category as stated above and notified to me time to time. I shall promptly submit all forms/documents as required by BRPL time to time in relation to this open category.
 6. I do hereby agree and confirm that I shall not dispute the allocation of category to any vendor or the rejection/limitation of allotment of category to me/vendor and shall keep BRPL, its officers, employees, directors indemnified from all losses, claims, liabilities, penalties including third party claim/law suits associated with allocation/rejection of my application or the execution/performance of task allocated by me/vendor.
 7. I do hereby undertake that I shall abide the terms of this undertaking and all the terms of RFP.
 8. I do hereby confirm and undertake that I am duly authorized by the vendor and I am competent to execute/submit this undertaking before BRPL.

Sub: Request for participation in the Open Category for Design, Engineering, Civil Work, Supply, Erection, Testing and Commissioning Including Warranty, Comprehensive Operation & Maintenance of SPV Plant of 1 kWp to 500 kWp Grid Connected Rooftop Solar Plant at various locations in the Union Territory of Delhi

Dear Sir,

1. We the undersigned _____ [insert the name of the vendor] having read, examined and understood in detail the Rfp, amendment and clarifications for implementation of Grid Connected Rooftop Solar PV System scheme hereby our request for allocation of capacity under subsidy scheme against identified projects.
2. We accept that we have reviewed and understood both Invitation to Open Category Notice as well as RFP No. CMC/BY/21-22/RB/SV/39 and give our unconditional acceptance to terms and conditions mentioned in both documents.
3. We give our unconditional acceptance to the RFP, its amendments and all clarifications issued by the tendering agency as well as the DISCOM
4. We hereby unconditionally and irrevocably agree and accept that the decisions made by the DISCOM in respect of any matter regarding or arising out of the RFP shall be binding on us.
5. We confirm that we have studied the provisions of the relevant Indian laws and regulations as required to enable us to implement the project.
6. We confirm that we have not been blacklisted by any Government Department/ Undertaking/ Delhi DISCOM for any work.
7. We confirm that the Firm has sufficient (at least three) technical manpower trained in the skills required to execute the work of installation of rooftop solar plants.
8. We confirm that the Firm fulfils all statutory requirements, for example those relating to electrical safety, to install rooftop solar plants.
9. We confirm that the Firm will install rooftop solar plants fulfilling minimum technical standards and specifications issued by the MNRE.
10. We confirm that the Firm will provide comprehensive maintenance of the rooftop solar plant installed by the Firm for at least 5 years.
11. We confirm that the Firm will provide all necessary information related to installation of rooftop solar plants and Do's and Don'ts to the beneficiary.

12. We confirm that the Firm will also provide name, contact number and e-mail of the person where the beneficiary can register a complaint related to rooftop solar plants installed by the Firm. These details will also be made available to the BRPL.
13. In case of any discrepancy in terms of quality and services provided by the Firm, BRPL can blacklist the Firm and encash the performance bank guarantee, apart from taking other legal actions.
14. We confirm that the signatory of this declaration is authorised by the Firm and the Firm will abide by all the conditions mentioned above. In case of any misinformation or concealment of facts, appropriate legal action may be taken against the Firm by the affected parties.
15. We have received a total capacity of ___kW under tender capacities of RFP No. CMC/BY/21-22/RB/SV/39.
16. We have applied for a total of ___kW under the Open categories of the three Delhi DISCOMs including the current capacity for which sanction is sought.
17. The Technical and Financial Eligibility Criteria including details of General Eligibility including but not limited to GST number, PAN number, Audited Financial statement, CA Certificate and Work orders and Commissioning certificates are attached for evaluation (If Applicable).

The following is/are the existing project(s) for which we seek allocation under the Open Category.
