

BRPL' School Energy Program reborn in a virtual avatar

Adapting to the 'new normal', BRPL has successfully transitioned its outreach programs to the virtual mode. Expanding the portfolio of its online programs, BRPL has now launched the 'e' version of its well-liked School Energy Program. Riding on the schools' online classes' set-up, the program, like its traditional avatar, has a carefully designed structure and is sensitising the children on energy conservation, safety, self Service digital touch points and power theft. The program has already been organised in 16 schools and covered over 350 students.

Now, go solar for just Rs 22,200* per kW

In a short span, BRPL has energised over 2400 rooftop solar connections – with a connected solar load of over 75 MW – in South and West Delhi. Consumers across categories, including residential and CGHS, have warmed up to roof top solar net metering in big-way. It is an ideal method to reduce electricity bills and also do your bit for the environment.

The much awaited Solar PV Rooftop Scheme under MNRE's phase 2 guidelines (with support of the Delhi Government) is now available for consumers. Now, a residential consumer can get a subsidy of upto 40% for going-solar. For details on rates and vendors & expressing your interest, please visit www.solarbse.com and refer to the solar-booklet and leaflets for CAPEX & RESCO.

(http://solarbse.com/viewFile.aspx?filename=Solar_booklet.pdf). You can also call 19123 (option 9).

*Price per kW; upto a 3 kW connection

Vaccine + Mask + Washing hands + Social Distancing = Victory over Covid

Just because the restrictions have eased and the vaccination drive has started, does not mean that the danger of Covid is over. It is not. Measures to stay safe that were true a few months ago still provide safety from Covid. For complete protection, take precautions even after vaccination!

For Self Meter Reading, Billing Information & Bill Payment & Complaint Registration ... Simply WhatsApp

To get started, simply send "Hi" to 88009 19123

Or click on the given below <https://wa.me/918800919123?text=Hi>

Meter Reading	Know Meter Reading Schedule	Submit Meter Reading
