

## With Rooftop Solar, Every Ray Saves You Money – And The Planet!

Get Government subsidies of upto Rs 88,000\*/- + Generation Based Incentive for 5 years

Embrace a brighter, greener future with BSES! We are thrilled to share that going solar is now even more attractive. It's the perfect time to switch to a sustainable energy source and enjoy significant savings. Don't miss out on this chance to reduce your carbon footprint and do your bit for a healthier planet. Go solar with BSES - today!

### Benefits of going solar

- Generate ~ 100-120 units of electricity per kW per month
- Earn extra income by selling surplus power back to BRPL
- Quick payback period of ~ 4-5 years
- Get attractive capital subsidy to make the switch even more affordable
- Get Generation Based Incentive (GBI) for 5 years
- Do your bit to fight pollution
