

BSES Driving e-Mobility at AIIMS

BSES and AIIMS have joined hands to champion eco-friendly mobility on the 213-acre hospital campus. Under its CSR initiative, BSES is providing 27 zero-emission e buses to enhance free in-campus transportation for patients, their families, doctors and medical staff. This transformative partnership will not only ease commuting but also significantly reduce the campus's carbon footprint, contributing to a greener, healthier environment for all.

The first set of 11 electric buses was recently flagged off by AIIMS Director, Mr. M. Srinivas and the BSES leadership team including Director & Group CEO, Mr. Amal Sinha; Director on the BSES Board, Mr. V. S. Verma and BYPL CEO, Mr. Amarjeet Singh. The remaining e buses will be progressively delivered by March 31, 2025. This effort exemplifies BSES' vision of powering not just 50 lakh homes but also hopes, dreams, and societal aspirations.

Powered By People, Certified for Greatness!

BSES Discoms have been certified as a Great Place to Work® for the first time. This global recognition reflects BSES' commitment to fostering a workplace culture rooted in trust, collaboration, and inclusivity. Celebrating employee-centric practices and professional growth, this milestone underscores BSES's dedication to empowering its people and striving for excellence. It marks a proud moment and a stepping stone toward even greater achievements.

BSES Honored on the Global Stage: Wins 8 Golds at ICQCC 2024, Sri Lanka

BSES Rajdhani Power Limited (BRPL) and BSES Yamuna Power Limited (BYPL) have achieved global recognition by clinching 8 Gold Awards at the prestigious International Convention for Quality Control Circles (ICQCC) 2024, held in Colombo, Sri Lanka, from November 11-14, 2024. Competing with 1000+ teams and 2500+ delegates from 14 countries, including Japan, China, and South Korea, all 8 BSES teams (BRPL 3, BYPL 5) excelled in improvement projects, securing top honors. These awards highlight BSES's relentless commitment to global standards of Continuous Improvement and Operational Excellence, driven by total employee involvement. They reflect our dedication to innovation, efficiency, and teamwork, cementing our place on the international stage of quality and excellence.
