## BSES scores a Double Century with Solar Connections

BSES has become the first discom in India to energise over 200 (206 to be precise) Rooftop Solar Net Metering connections with a sanctioned load of over 7 MW. Another 50 connections with a sanctioned load of around 1.5 MW are in the process of being energised.

### Benefits of Rooftop Solar Net Metering

- Rooftop solar net metering allows consumers to generate electricity for self-consumption and sell any surplus electricity beyond their own use to the discom as per DERC guidelines
- Typical consumers recover their Return on Investment on Rooftop Solar Net Metering within 7 to 9 years

Interested consumers may Email with their CA Number & Contact Details at [netmetering.bypl@relianceada.com](mailto:netmetering.bypl@relianceada.com)
